Jacqueline 'Jackie' Dort Memorial Bursary

Application Deadline: June 1, 2026

This bursary has been created in honor and recognition of Councillor/Deputy Warden Jackie Dort, Vice Chair of our Eastern Region Solid Waste Management Committee who passed away on July 21, 2020. Jackie served as a Municipal Councillor for District 6 since 2001 and as member for the Municipality on our Committee since 2003. She believed in people helping people and actively involved herself as a Councillor and by supporting youth as a Girl Guide Leader for many years, which she thoroughly enjoyed. As a Committee member she was engaged and passionate about the work, always on top of the file, to update and support her Council on issues important to the Municipality and Province. Jackie's contribution to our Committee will be missed and the things she stood for which influenced the criteria for this bursary will recognize a young person whom she would be proud to assist. For these reasons, a one-time amount of \$500 will be awarded this year to a 2026 high school graduate who resides in the Town of Antigonish
